Thank you for signing up for garbage service. You can mail the completed policy, fax (541)938-7514, email, or if you prefer you can hand deliver the policy to 54841 Hwy 332 Milton-Freewater (the block building behind the drive-in theater screen).

If after reviewing the policy you have any questions please don't hesitate to give us a call or E-mail at humbertrefuse@outlook.com

HINTS TO REMEMBER

200 & 300 Gallon Containers

- * All containers need to be **placed for easy access and turn around** for the garbage truck
- * Containers need to be placed **no closer than 5 feet** from any obstacle (i.e. fence, mailbox)
- * On pick up day make sure that access to the garbage container including the lane is clear of all obstructions by **5:00am** (i.e. vehicle, tractors, and toys)
- * *If your container is moved or turned around by the driver please leave it there for future pickups*
- * Containers need to be placed with the lid opening facing the truck with **the lid closed**
- * No tires, automotive batteries, large pieces of metal or long items that stick above rim of container are allowed.
- * Please **bag and tie your garbage** (reduces litter - especially if the wind is blowing)
- * **Container must not be filled over water level full. Any extra beside the container or container filled above water level full will have a minimum charge of \$11.00**
- * If road conditions are questionable for access to the container your pick up will be made on your next regular route day that roads are safe.
- * We pick up garbage on most holidays except Christmas and New Year's. If you are not picked up on the holiday it will be picked up the following day

We look forward to serving your garbage needs!!!!!!!!!!!!!!
